WELCOME TO THE FIRST DELHI RETINA MEET 2016

Greetings from Delhi Retina Forum!

We, on the behalf of **Delhi Retina Forum** invite you to Delhi Retina Meet 2016 at Delhi on July 9th and 10th.

This meet promises to be an academic feast for committed Retinologists from all over the country, who would meet to discuss and answer some of the most challenging questions in the specialty of Vitreo-Retina. We would also be interacting with renowned International experts like Dr. Carlos Mateo (Barcelona, Spain), Dr. Shoji Kishi (Japan), Dr. Lingam Gopal and Dr. Nazimul Hussain The Scientific Programme has been prepared with our trademark "Debate and Candid discussion" format and intends to explore the latest advances and understandings in Medical and Surgical Retina.

We expect an enlightening experience that might make us move one more step towards our common mission - **Making best and most rational treatment**
