# INVITATION

*We are pleased to present the program of much awaited Delhi Retina Meet 2021 (3-5 September, 2021).*

*A scientific feast for retinologists around the world, with an to provide a platform to share our experiences, innovations and learning from day to day practice. To keep the momentum going and to learn something new & unique, we are going to have many internationally renowned retinologists for the upcoming meet.*

*DRF looks forward to the opportunity to continue to learn, engage, and collaborate with all of you.*
